## Congressman Dent observes Lincoln's Birthday

U.S. Rep. Charlie Dent (PA-15), co-chairman of the Republican Tuesday Group, issued the following statement in honor of Abraham Lincoln's birthday:

"Abraham Lincoln is remembered today as one of our great presidents, as the preserver of our Union and as the Great Emancipator. He believed the strength and integrity of the American republic and its laws were essential to preserving our freedom. He did not seek conflict nor did he shrink from fighting for a just cause. He took actions he knew were divisive for the sake of unity in later generations. Like the country he loved, Abraham Lincoln was both idealistic and practical, and his legacy is no less than the nation itself."
